Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Friday 12 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rather cloudy and breezy with showery rain clearing.

This Evening and Tonight:
Cloudy, damp and breezy during Friday evening. Both the wind and rain should ease overnight, although probably remaining rather cloudy which will help prevent a frost. Some showers affecting Derbyshire. Minimum temperature 6 deg C (43 deg F).

Saturday:
Probably remaining on the cloudy side, with the east most prone to lingering cloud and a few light showers, perhaps becoming more widespread to end the day. Maximum temperature 13 deg C (55 deg F).

Outlook for Sunday to Tuesday:
Generally cloudy. Mostly dry Sunday and Monday. Chance of rain Tuesday. Misty over higher ground, with increasing chance of fog. Temperatures near or above average. Winds might freshen during Tuesday.
